

Scandinavian Reaggae stars says no to Fracking

The danish reaggae star Raske Penge <http://www.raskepenge.dk>
From Klumben og Raske Penge don't want fracking in Denmark or anywhere else.

When Klumben & Raske Penge was performing on the Danish TV show Natholdet November 8th 2012 a Skifergas nej tak (Shalegas no thankyou) was released through a supercool Musical medley with Dirkjan check it out here <https://www.youtube.com/watch?v=W8QJTNi1AeA>

Since then Raske Penge has been wearing the skifergas nej tak(Shalegas no thankyou) t-shirt several times during concerts and public performances. Here is a picture from one of his concerts in Ålborg August 2014

The extraction of shalegas is best known internationally under the term Fracking it is not only underway in Denmark and Sweden, it is already happening several places in NorthAmerica, Europe, Australia, SouthAmerica, and Africa and all over the world, it is a global issue.

At the Scandinavian Reaggae festival in Copenhagen August 29-30th 2014 <http://www.scandinaviareggae festival.com/index.php?en&subj=39#&panel1-1>
The danish Movement Skifergas nej tak(Shalegas no thankyou) have been out meeting several Danish and Swedish reaggae artists, whom just as Raske Penge has chosen to say no to Fracking

Here are the Scandinavian Reaggae artists who have chosen to say no thankyou to shalegas and fracking so far.
